VICTORINE MERRIMAN
*Hospice Maui Board Member
 (right), with husband Peter
 Merriman and daughter*

I first became acquainted with Hospice Maui when my husband, Peter, and I chose to make them the recipient of a fundraiser we hosted. We were very impressed with what we learned about Hospice and their mission.

Shortly afterwards, Dr. Greg LaGoy asked me to become a board member. Hesitant at first, I quickly became intrigued as I learned more about the organization. I was very impressed with the professional and loving care given to the patients and their families. The physicians, nurses, social workers, spiritual counselors and volunteers are truly invested in each patient's personal care, along with helping their families.

The board is well run, with smart, active people and uses the highest of standards and best practices. I am privileged to be a board member.

Makana Gifts in Spirit

In memory of our dad,
Gordon Wenceslaus Cockett, Sr.
JULY 26, 1934 - MARCH 6, 2019

Our experience with Hospice Maui began on February 1, 2019. Their staff made it so easy for us to bring our dad home from the hospital. Hospice Maui took care of all the necessary equipment, arranged his ride from the hospital to our home, and made sure he was comfortable and his needs were being met.

Three weeks later, we brought our dad to Hospice Maui Hale. We cannot believe the incredible care dad was given, and the amazing staff that took care of our dad and our entire family. The care and compassion we received was unbelievable.

My family and I will forever be grateful to Hospice Maui. Our dad made his final journey to heaven on March 6, 2019, surrounded by his family and the amazing staff of the Hale. We could not ask for a more beautiful and peaceful ending to our dad's life.

Mahalo,

Ramona, Gordon Jr, Gary, and Pōmai Cockett

Many gifts arrive
with stories of
gratitude.

Thank you for
sharing your
story with us!

“You all are
hand picked
angels on earth”

GREG LAGOY, ND, MBA
Executive Director

Aloha,

As the days get shorter this time of year, one of the things that feels natural is for us to consider what we are grateful for. From our Board, our Staff, our Volunteers, and from me, thanks to each of you who have contributed in some way to Hospice Maui in the past year. We go above and beyond what we are required to do for those in our care, and it is the support of those of you who see and appreciate this that allows us to continue this tradition of excellence.

One of the things I am personally grateful for is our new Medical Director, Dr. Chad Farmer. Dr. Nancy Long's ten years of service with us set the "expectation bar" very high, and we are very happy to have found Dr. Chad. In brief, he has fifteen years experience both at the bedside and in a leadership role with a very large hospice program in Tampa, Florida.

As that hospice's focus shifted toward business growth, Dr. Chad began to seek out a hospice program with strongly patient-centered values, and who was looking for someone with his level of expertise. I am grateful that we found each other!

DR. CHAD FARMER

R. Gregory LaGoy
EXECUTIVE DIRECTOR

Compassionate Hospice Care

We believe that at the end of our lives we are entitled to care that relieves pain and other symptoms.

We each deserve to be cared for by those who understand the emotional and spiritual needs of the dying. We deserve the opportunity to express our hopes and fears, and to be heard, honored, and supported. And we are each entitled to live our last months and weeks in the setting of our choice, treated according to our beliefs and values.

Bereavement Support

The weekly HEAL (Helping Ease a Loss) grief support group provides an opportunity to share experiences and feelings regarding the death of your loved one and listen to and learn from others. We all grieve differently. Our bereavement program includes weekly support groups, a monthly newsletter, and an annual Memorial Day service.

Community Life

Hospice Maui enriches Maui Community

- by investing in relationships with other healthcare professionals and organizations to better serve those who are seriously ill.
- by providing education and in-service training on topics surrounding caregiver resources, healthcare decision making, grief and loss, and end-of-life care issues.
- by engaging community members at our information booths at health fairs and other community events.
