DALE BONAR

*Hospice Maui Board President*

Having worked as a staff member, volunteer and consultant in various nonprofit environmental organizations for much of my working life, I am well aware of what makes an effective, productive organization. When Executive Director Greg LaGoy asked me onto the Hospice Maui Board of Directors, it was a pleasant surprise to discover an even higher level of commitment and professionalism among the staff and volunteers than I had previously experienced. In part, this comes from the incredibly important work Hospice Maui performs and the experiences so many of us have had with the compassionate, professional treatment of our own family members or friends in the final phase of their lives. Of equal and often greater importance is the support they provide to the families and friends of the patients.

The professionalism of the medical, social services, spiritual staff members and the many volunteers is outstanding. I am honored to help in the way that I can be of best service to Hospice Maui.

## BILL MERCHANT

I am writing to express my gratitude for the care that my husband, Bill Merchant, received in Hospice Maui's Hale last May 2018.

This decision was the hardest I've ever had to make, knowing he would never come home again. Our eleven-year-old daughter Natalie and I watched him die slowly and peacefully. However, the kindness shown by Dr. Long and the staff of nurses helped me overcome my fear of his death. Billy received excellent care!

After the third day he was admitted, I asked him how he liked his nurses. He said, "I don't like them, I love them". That's when I knew I made the right decision for him to come to Hospice Maui. His nurses didn't leave him; they would massage his feet/legs because they knew it made him feel better. The chaplain came in every day and sang his favorite songs with her ukulele. My daughter Natalie, would FaceTime her classmates and tell her whole class that she has a new home and not to worry because her daddy is well taken care of. She was so excited she was able to bring her bunny to stay with her and live at Hospice Maui during this time.

I sincerely thank you for making us feel at home even though it was the worst time in my life. It is hard to write this because he passed away, but your knowledge coupled with the care and empathy shown by all of your staff made Hospice Maui a better place for my beloved Bill and my family.

Thank you from the bottom of our hearts,

Lucia and Natalie Merchant

Many gifts arrive  
with stories of  
gratitude.

Thank you for  
sharing your  
story with us!

GREG LAGOY, ND, MBA  
Executive Director

Aloha Hospice Maui 'Ohana,

On behalf of our staff, our Board of Directors, and those patients and families whom we serve here at Hospice Maui, I want to personally thank each of you who have in some way contributed to our success over this past year. That support includes contributions, time spent as a volunteer, and help in talking story about our organization and our services to those who may not be familiar with us. We are very grateful for your support. It is essential to our mission.

In looking ahead to this current fiscal year that just started July 1st, we are asking all of our supporters to join us again by considering an additional gift to the Hospice Maui Kokua Fund. This is a special fund that provides financial support for those who cannot afford the room and board charge at our Hale (sometimes insurance does not cover this), or for those who could stay at home if they had some extra caregiving support which they need financial assistance for, or for other expenses that may not be covered by their insurance. Thank you for your consideration!

I would like to close with a mahalo, and a reminder that the services and the facilities that bear our name belong to this community. We were formed to serve Maui, and as a locally governed not-for-profit corporation, this is the purpose that we so gratefully step up to serve each and every day.

## Compassionate Hospice Care

We believe that at the end of our lives we are entitled to care that relieves pain and other symptoms.

We each deserve to be cared for by those who understand the emotional and spiritual needs of the dying. We deserve the opportunity to express our hopes and fears, and to be heard, honored, and supported. And we are each entitled to live our last months and weeks in the setting of our choice, treated according to our beliefs and values.

## Bereavement Support

The H.E.A.L. (Helping Ease a Loss) grief support group provides an opportunity to share experiences and feelings regarding the death of your loved one and to listen to and learn from others. We all grieve differently. Our bereavement program includes weekly support groups, a monthly newsletter, and an annual Memorial Day service.

## Community Life

### Hospice Maui enriches Maui Community

- by investing in relationships with other healthcare professionals and organizations to better serve those who are seriously ill.
- by providing education and in-service training on topics surrounding caregiver resources, healthcare decision making, grief and loss, and end-of-life care issues.
- by engaging community members at our information booths at health fairs and other community events.
