On behalf of the Hospice Maui Board of Directors, I am pleased to share the news that Interim CEO Melanie Dwyer accepted the permanent role as CEO, effective May 2022. The board believed transitioning Melanie into the role of permanent CEO ensures Hospice Maui staff, volunteers and the organization as a whole, will continue to thrive while carrying out our mission of providing the highest level of professional, ethical, culturally appropriate and deeply compassionate hospice care to our diverse community.

Melanie (or as her staff calls her - Mel) joined the Hospice Maui team in 2016 coming to us after a 13-year nursing and management career in an acute care hospital setting. When the COVID-19 pandemic started it became apparent that Hospice Maui needed a strong clinical leader to oversee daily operations of the entire clinical program. In evidence of Mel's leadership skills, experience, and professional growth, our late CEO, Gregory LaGoy, appointed Mel as Hospice Maui's Clinical Director in 2020 formulating a succession plan that empowered her to become the next CEO of Hospice Maui. The Board of Directors is pleased to present Melanie to the Maui community and we know that she will represent us well in the years ahead.

I also want to extend our thanks to you, our generous friends and supporters, for standing with Hospice Maui through our transition. Your benefaction and partnership is the reason why Hospice Maui is able to continually provide quality, compassionate hospice care to help ease the physical, emotional and spiritual pain associated with a terminal illness.

In gratitude,

Reverend Monsignor Terrance Watanabe
Board President

Aloha Everyone,

It has been a long-time dream of Hospice Maui to expand our services to the communities of Moloka'i and Lana'i which became a reality on February 1, 2022. Providing hospice services to these new areas has been rewarding especially with the support, trust and guidance of our community partners. We are also proud to share that as of July 2022, we now offer direct in-home hospice services to Hana residents with a local medical team of providers.

We are also expanding our palliative care program and now have four additional physicians and an Advanced Practice Registered Nurse (APRN) that help us provide hospice and palliative care services in the communities we serve. At a time when there have been challenges in staffing for healthcare organizations nationally, we have been blessed to be able to build our team to meet the needs in our community. Hospice Maui continues to see record growth in the number of patients we care for each day.

With the incredible support of our Board of Directors, our donors and our community, Hospice Maui has been able to maintain our staff to patient ratios that allows our staff to be fully present at the bedside in the way patients and families deserve at this extremely vulnerable time. It was under the Board of Director's excellent and heartfelt guidance that myself and Hospice Maui's leadership team were able to seamlessly continue our mission after the loss of our late CEO Gregory LaGoy. I am grateful for their willingness to contribute their time and expertise to our organization.

It has been a true honor and privilege for me to step into the CEO role and lead this incredible organization. I am humbled and inspired by the Hospice Maui team daily as they strive to provide the heartfelt, quality, and deeply compassionate care that we all want for ourselves and our loved ones.

With Gratitude,

A handwritten signature in black ink that reads "Melanie Dwyer". The signature is fluid and cursive.

Meet our new team members

Kathleen Hogarty joined the Hospice Maui team as the Director of Advancement. She has held a range of leadership development positions in Hawai'i including roles at UH Foundation, PBS Hawai'i; and Seabury Hall and is looking forward to supporting Hospice Maui's vision.

Chelene Arnold has spent the last ten years working in the human services field educating and supporting patients and families in the Maui community. She joined Hospice Maui's advancement team as the new Outreach Coordinator, putting her skill set into action helping to create a more compassionate community to support and educate our community about receiving end-of-life care that is aligned with their beliefs, wishes, and values.

Sharing Our Story

Caring About the Future

Have you considered including Hospice Maui in your estate plan?

Leaving a legacy is impactful, can be easy, and does not require a vast estate. A well-crafted will or estate plan ensures that what you've worked a lifetime for, is distributed according to your wishes.

A few legacy gifts examples:

- Designation of a fixed amount through your will or trust
- Gift of real estate or a percentage of a property
- Beneficiary of an IRA, retirement plan

Please contact our Advancement Department for more information.
