Board of  
Directors

I started working for Hospice Maui 5 years ago when our Hale opened in 2016. I was hired as one of the original Hale RN team members after a 13 year nursing career in an acute care hospital setting on the mainland. From day one I recognized how special and unique Hospice Maui is compared to other healthcare organizations.

At Hospice Maui  
we always lead  
with the heart

At Hospice Maui we always lead with the heart with every decision we make when it comes to both our patients and our team. It is inspiring to me to work for an organization that pauses to focus on the truly important questions like what is best for the patient and family, and how do we support our team to give the kind of care we all want for ourselves and our loved ones. With every need or wish we are presented with, our team always tries to find a way to say “yes”. Often in this vulnerable time in people’s lives it is the little things that really matter and are the most meaningful.

40 years of providing service to our community is an incredible accomplishment and I am so proud to serve alongside such an amazing group of dedicated, compassionate, and inspiring individuals. Watching our Hale grow over the last five years and seeing the added relief and support we can provide our patients, their families, and our community in this setting has been rewarding on so many levels. With the ever changing landscape in healthcare I consider myself blessed to be part of an organization that has such a solid foundation of providing unwavering heartfelt, compassionate, high-quality patient care that is trusted by our community.

Uncle Les graced us with his song “Thank You” for our annual Memorial Day Celebrations. We are forever grateful for what Uncle Les gave to this event and to our staff and patient families!

“Thank you for the care and class exhibited toward my father, Uncle Les. I will never forget your extraordinary kokua and support to make my dad’s last request a reality, to be at home and peace in your comfortable facility,”

KULOLOIO FAMILY

Naomi Takaoka

“We appreciate the amazing services provided by Hospice Maui for my stepmom, Naomi. The comfort, support, and care given in the most heartfelt and compassionate way helped to make a difficult transition occur in the most peaceful and loving way possible. I thank you for that gift to my family.”

SHANNON MAKEKAU

Many gifts arrive  
with stories of  
gratitude.

Thank you for  
sharing your  
story with us!

GREG LAGOY, ND, MBA  
Executive Director

Aloha everyone,

This fall is a monumental occasion for Hospice Maui. In November we are celebrating 40 years of serving our community with the highest level of professional and compassionate care, and in December it will be 5 years since we opened our Hospice Maui Hale!

I had envisioned our Hale as a place for dying hospital patients who no longer wish to receive hi-tech interventions. It is very heartening to see how that has come to fruition: In 2020, we had 155 admissions to our little 5-bed facility!

I have been at Hospice Maui for nearly 32 of its 40 years. When I started, I worked with a staff of six people. I now work with six department heads and a staff of 80 people. During our first full year of being Medicare Certified (1992), we admitted 39 patients to our program. In 2020, despite COVID, we admitted 450. That means we served half of the total deaths on Maui.

Our Board of Directors, consisting of highly qualified and deeply committed volunteer members of the Maui community, continues to set an example of excellent governance of a non-profit. I am so appreciative of their willingness to contribute their time and expertise to our organization.

I have been privileged to witness hospice care go from being completely unknown, to its current role as an essential part of the healthcare continuum. I am very grateful to be part of this shining example of hospice care.

R. Gregory LaGoy  
EXECUTIVE DIRECTOR

### Compassionate Hospice Care

We believe that at the end of our lives we are entitled to care that relieves pain and other symptoms.

We each deserve to be cared for by those who understand the emotional and spiritual needs of the dying. We deserve the opportunity to express our hopes and fears, and to be heard, honored, and supported. And we are each entitled to live our last months and weeks in the setting of our choice, treated according to our beliefs and values.

### Bereavement Support

The weekly HEAL (Helping Ease a Loss) grief support group provides an opportunity to share experiences and feelings regarding the death of your loved one and listen to and learn from others. If you are interested in participating in our HEAL groups, currently via Zoom, please leave a message for Susan Pirsch at 808-244-5555.

Hospice Maui is about to celebrate 40 years of service to our Maui community. We invite you to watch our videos at [HospiceMaui.org](http://HospiceMaui.org).

They tell our story in a way that reflects the quality of the work that Hospice Maui has been doing for decades. Our intent is to give you a much broader perspective of our organization and our services and a helpful resource for families who are considering our services, for prospective staff and board members, and for donors who want to get a deeper look at our organization.
